December 13, 2017

## FOR IMMEDIATE RELEASE

The Effingham County Sheriff's Office in cooperation with the Effingham City Police Department would like to announce our upcoming Cops N' Kids Poison Pin game at the Effingham Junior High School. Poison Pin is a form of dodgeball that has been enjoyed by Effingham Junior High School students for years and is widely considered a favorite past time!

The game will take place on December 21, 2017 at approximately 2:30 pm in the large gym of the Effingham Junior High School. Officers and Command Staff from the Effingham County Sheriff's Office and the Effingham Police Department will be playing the winning team from the school wide Poison Pin Tournament that day.

The Effingham County Sheriff's Office and the Effingham Police Department have enjoyed a fantastic relationship with our local community schools and our students through the School Resource Officer Program and we hope this will be another opportunity for more positive interaction of our youth with our local law enforcement.
