Overview:

Foster Park Brokers is intentional about making the communities we work in stronger. It's said, "it takes a village to raise a child" and at Foster Park we take our role in that village seriously. We believe our role to play is in the area of learning. Foster Park therefore decided to launch this effort through the Foster Park Community Fund.

What will the Foster Park Community Fund do?

The community fund will allow youth in the communities we do business in to apply for a learning scholarship. Whether it be a summer camp, hair school, university, or trades school, Foster Park Brokers will provide 3 youth in our community with \$500.00 to aid them with this development activity.

The Details

Program launch: October, 2017

All junior high and high school students are encouraged to apply for the Foster Park Community Fund. This \$500.00 can be used for anything from horseback riding lessons, to hair school to post-secondary education.

Last day to submit applications: November 10, 2017
Successful candidates will be announced on December 1, 2017.

How will candidates apply to the FPB Community Fund?
