

# Welcome Aboard Flight 2023

Well, hello there and welcome aboard Flight 2023.

We're prepared to take off into a new brand new year, so once you're settled, we'll pull away from the gate.

Please take a moment and make sure your attitude and blessings are secured and locked in an upright position.

All self-destructive devices should be turned off at this time. All negativity, hurt and discouragement should

be put away. Should we lose attitude under pressure during the flight, reach up and pull down a prayer. Prayers will be

automatically activated by

faith. Once your faith is activated, you can then assist other passengers. Should you

require any assistance, please let your DJ know.

Looks like the captain has cleared us for liftoff. So, sit back, relax, and lift your SPIRIT.
