

New Year's Fudge

Ingredients:

1 13oz can evaporated milk

4 1/2 cup sugar

1 10oz bag marshmallows

2 cubes butter

2 cups walnuts (optional)

1 teaspoon vanilla

3 cups chocolate chips

Instructions:

Boil the evaporated milk and sugar in large saucepan for 10 minutes on medium heat. Don't stir very much after it starts boiling.

Add the remaining ingredients. Stir well and pour into greased 9"x13" pan. Let sit in refrigerator overnight for best results before cutting.
