

January 7, 2021

Kathleen Mitchell
Chief Clerk
New Brunswick Energy and Utilities Board

Ms. Mitchell,

Please accept this letter on behalf of the Saint John Transit Commission, to amend the terms of our Motor Vehicle Carrier License. The license should be modified to reflect that service between the City of Saint John and the Town of Hampton has been eliminated, effective January 01st, 2021.

The cancellation of the Hampton Comex (#51) was the result of the inability to find agreement on the new subsidy rate required to provide such service. Below is a schedule of the routes that were cancelled for Hampton.
