

RAGGED ROAD

“STORMS WILL RISE”

The Song that named the band

The band was known as “Second Hand Shoes,” until the lead guitarist's daughter read the line "the road is ragged", in the lyrics for "Storms Will Rise." She said "now that's a name." They became Ragged Road that day.

“Storms Will Rise”, Ragged Road’s eighth single will be released on June 19, 2020.

Since forming in 2018, the band has gone from strength to strength. After Covid-19 killed the band’s festival and regional gigs, they have been asked to provide live-streaming performances for Dryden’s Canada Day, and Thunder Bay’s live on the waterfront. Hear them anywhere music can be downloaded or streamed.
