Lyndhurst Rejuvenation Committee Annual General Meeting

The AGM will be held later in November. Please join us to talk about continuing to make Lyndhurst an even better place to live. Watch your mailboxes for information on date and time or call 613-928-1196.

Discover Direction: The Business of Trails Annual Economic Development Summit

Thursday November 1, 2018

Seeley's Bay Community Hall, 9:00 am - 3:00 pm

The Township of Leeds and the Thousand Islands wants to support our unique trails experiences by including them as the theme for the annual Economic Development Summit. This FREE event is open to anyone who is or would like to be in "The Business of Trails". Contact the Economic Development and Marketing Officer, Amy Webb at amy@townshipleeds.on.ca.

Thank You

The fundraising concert *titled Bach on the Beverley*, sponsored by St Luke's Anglican Parish in Lyndhurst, was a huge success. As a result of this concert the Rideau District High School Music program received \$900. Rideau has over 200 students pass through the music room each week and donations help us maintain current instruments and even purchase some new ones. With this specific donation we were able to secure two trumpets and some new music. We are so thankful for the generosity and support of people in our community. Thank you to everyone who organized and attended this concert.
