

## Keeper of Gargoyles

Gilly and Jack ran to the Gananoque library, when they arrived they asked Ms. Hoot about the gate keeper

"The gate keeper you may ask? Here" Ms. Hoot replied as she pulled out a scroll and handed to the boys. "This is the address of the gate keepers. Its gonna be a long journey!" Gilly and Jack were confused when she said 'a long journey' but they shrugged it off.

Gilly and Jack started walking home they walked past the bank, Dollarama but every time they walked by the buildings there were gargoyles on the top of the roofs, "Weird" Gilly spoke, when the got home they ate, talked and went to bed. In the morning, they packed a lunch and set off to the gate keeper.

When they looked at the scroll they realized they had to go on a two-hour hike! "Ughh why does the hike have to be so long" Jack yelled in a frustrating voice that shook him. During the hike Jack and Gilly saw squirrels, owls, and gargoyles.

The boys took seeing the gargoyles as a clue that they close to the gatekeeper. Finally, the boys arrived, they saw a

little shack with gargoyles everywhere. "This must be it Jack" said Gilly surprised as he looked at the yard full of gargoyles, they slowly walked up to the shack when AHHHHHH! Gilly and Jack woke up "Omg that was a horrible nightmare" Jack said to Gilly. They both went back to bed, a few minutes later Jack woke up being carried by a gargoyle. "Haha Gilly very funny" Jack said as looked back to see Gilly still sleeping in his bed. "what? AHHHHHHHH"
