PRCA RODEO ACTION

PARTIAL FUNDING FOR THIS EVENT WAS PROVIDED BY THE CITY OF SEGUIN, TEXAS

Lancaster & Jones Pro Rodeo is *THE* show to see! Join us Thurs.-Sat., Oct. 6-8.

Lancaster & Jones Pro Rodeo Company will be here again this year with their always entertaining show. PRCA Rodeo dates are Oct. 7th, 8th, & 9th. Rodeo action at the Guadalupe County Fairgrounds will kick off each night at 7:30 pm.

Seguin is actually one of the first rodeos of the 2022 fiscal year for the PRCA since their calendar year runs from Oct. 1st to Sept. 30 each year. That means the Cowboys and Cowgirls are all looking to get a head start for their chance to qualify for the 2022 NFR. Lancaster stated, Since Seguin has increased the added money for the contestants, creating a must enter rodeo for the contestants who are looking for that edge in the world standings for the new rodeo season. As each year in the past, several world champions have entered the Guadalupe PRCA Rodeo, & this year should be no different.

Lancaster & Jones always bringing family entertainment, have enlisted John Harrison with his unique rodeo clown & barrel man acts. Guadalupe County Fair & PRCA Rodeo, "The Place to Be"

JOHN HARRISON

John Harrison and team are affectionately known as "The Clown Family" among rodeo fans and professionals. You rarely see John at a rodeo without his tribe. He and his wife, Carla have had 4 children. Addy, their oldest is embarking on a fun journey of her own. She interviews contestants & personnel and then asks them questions kids want to know about. Caz, their son, is often dressed just like John entertaining and doing flips during the mutton busting. The father - son duo have opened the WNFR 3 times. Next in line would be Billie, a daughter that is an angel in Heaven now. Capping off the crew is the youngest girl, Charlee.

John comes by the family aspect honestly, while he is a noted rodeo clown and barrelman, his late grandfather was rodeo legend, Freckles Brown. (Freckles rode the "unrideable" bull Tornado, the subject of Western Music songs, and was a World Champion Bull Rider) John was around rodeo and rodeo people his whole life. John became a member of the Professional Rodeo Cowboys Association (PRCA) in 1999, as a trick and roman rider, and trick roper. He later diversified and added barrelman to his PRCA card.

John has worked rodeos from coast to coast and has made 8 appearances at the prestigious Wrangler National Finals Rodeo, three times as a specialty act performer and five times as a barrelman, and he's headed back this year for his 6th time! 2012, 2014, 2015, 2020 John picked up the coveted award of Comedy Act of the Year. He brought home the gold buckle that represents his achievement as Coors Man in the Can 3 times. He feels blessed to be doing what he loves and with those he loves at his side.

CHARLIE THROCKMORTON

Rodeo announcer Charlie Throckmorton's career spans more than 40 years. He announced his first rodeo in 1969 while still in high school. Now, a PRCA Gold Card member, Throckmorton has covered rodeo and bull riding in more than 40 states across the nation.

Some of the major events he has announced include:

- 1991 Wrangler National Finals Rodeo (announcing team)
- 3-time announcer PBR World Finals, Las Vegas, 2001-2003
- 18-time announcer National Finals Steer Roping, 1990, 2001-2017 (tied the record in the PRCA of most consecutive times to announce the event).
- 11-time announcer Texas PRCA Circuit Finals
- Ram National Circuit Finals 1992
- Xtreme National Finals Bull Riding, Reno, Nv. 2005
- Timed Event Championships, Lazy E, Guthrie, Okla. 4 times

In April of 2007 Throckmorton was inducted into the Texas Rodeo Cowboy Hall of Fame. The PRCA media guide calls Throckmorton a repository of knowledge (even among fellow gold card members) with extensive knowledge of the sport of rodeo.

His voice is heard on many radio and television stations in various venues throughout the country, including billboard's on live NBC television. Throckmorton is sponsored by Justin Boots and Wrangler.

J. LONG EXPOSURE Also known as time-exposure or slow-shutter, this technique involves using a long duration shutter speed. It can be used to sharply capture stationary elements of an image while blurring, smearing, or obscuring the moving elements. It is also used in lowlight conditions. Examples: fireworks, moving water, light trails, Milky Way, light painting, night or low-light conditions, etc.
