ENJOY THE FAIR... WASH YOUR HANDS

One of the best things about the Indiana State Fair is the chance to get close to all the different animals. The safest way to enjoy the animals is to be sure and wash your hands each time after contact with any animal at the Fair. This is especially important for young children.

As you stroll around the Fairgrounds, you will notice dozens of hand-sanitizing stations and restrooms. Please take advantage of them to keep your hands clean, especially if you are about to enjoy some delicious Fair food!

BE SMART, STAY HEALTHY, WASH YOUR HANDS!

Wash your hands after petting any animal, it's the best way to enjoy the Great Indiana State Fair.

FRIENDS SE FAIR

GIVING HAPPENS HERE. ALL YEAR.

Express your love for the Indiana State Fair. Become a *Friend of the Fair* today!

Your gift to the Indiana State Fair Foundation's annual giving program, Friends of the Fair, supports the continued growth of agriculture education programs, youth development initiatives and the preservation of this treasured Indiana institution. Your generosity ensures that future generations of Hoosiers will share in the time-honored tradition of the Indiana State Fair and create lasting memories for another 160 years.

Donations to the annual giving program will underwrite field trips for thousands of Indiana students throughout the year and fund the nearly \$100,000 in awards presented to 4-H youth at the annual Celebration of Champions. Additionally, Friends of the Fair gifts are used to preserve and enhance the Fairgrounds aging facilities and infrastructure.

The Indiana State Fair Foundation is a 501(c)(3) public charity established in 2011 to support the year-round agriculture education, youth development, and campus stewardship of the Indiana State Fairgrounds & Event Center for the benefit of all citizens of Indiana.

For more information, contact the Foundation office at (317) 927-7669 or visit IndianaStateFairFoundation.org.
