

Notice of applications MHS-10 Substation Project

The City of Medicine Hat has filed applications to construct and connect a new substation in northwest Medicine Hat

**Proceeding 23847
Applications 23847-A002 and 23847-A003**

The Alberta Utilities Commission (AUC), the independent utilities regulator, will be considering the substation development applications in Proceeding 23847. If you feel you may be affected by these applications you can provide input to the AUC to review before it makes its decision.

Written submissions are due March 26, 2019.

The City of Medicine Hat has applied to construct a new substation, designated as MHS-10 Substation. The City of Medicine Hat has also applied to connect the substation to the adjacent Transmission Line MH-10L. The applications have been filed under the *Hydro and Electric Energy Act*. The substation would be located west of Box Springs Road, north of Broadway Avenue and south of 52nd Street N.W. on the southeast quarter of Section 15, Township 13, Range 6, west of the Fourth Meridian. The substation would be constructed immediately adjacent to existing Transmission Line MH-10L and would connect to the transmission line by an in-and-out connection. The substation and transmission line locations are shown on the attached map.

Additional information about the applications

The applications and any associated documents are publicly available and can be accessed from the eFiling System on the AUC website www.auc.ab.ca. Alternatively, for more information about what is being applied for, or for a copy of the applications, please contact:
