Result:Failure

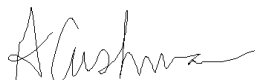

Notes:

Complaint:

Complainant visited the store on August 8, 2023 and saw 2 dead rats on floor by middle coolers with frozen meat products.

Findings:

Made Store Manager, Leslie Mongo aware of the complaint on rodents in the store. Management was aware of the problem and already had Ecolab visiting daily. While making the inspection I saw at least 30 traps in the warehouse and glue boards placed in the dog food section of the sales floor. There were no dead rodents on the traps or rodent droppings
