- *Note: Due to the nature of our programs that are heard online over the internet, contests heard over the station's internet stream, are slightly delayed from the time the contests heard on the broadcast or the "Froggy app" and will be running behind the broadcast signal. Thus, all the contests heard are delayed. This delay can last for 30 seconds up to several minutes. This means when Froggy announces a winning name in this contest, listeners listening to the online stream may be at a disadvantage in participating over those listening to the broadcast on a tradition FM radio.
