(you can show the cashier this flyer on your phone)

The great people at **Midici** in Holland are supporting local hunger-relief efforts this year by donating **15% of all proceeds to Community Action House on #GivingTuesday** this year - the biggest day of giving worldwide which raised \$177 million last year!

The goal is to raise funds to **provide 75,000 meals** - that's how many hot meals are served for free at the Community Kitchen every year, a program of **Community Action House**. By enjoying some great pizza and bringing this flyer for lunch or dinner on November 28th, you'll be helping to provide a safe place where community is truly in action serving the Greater Holland Area. **#Giving75ThousandMeals**.

Midici is located at **The Shops at Westshore, 12371 James St, Ste. 40, Holland, MI 49424**.
