Additional Rules

In addition to these Official Rules, this Promotion is also subject to the Midwest Communications, Inc./WRIG, Inc. Official Rules for All Contests which are either incorporated herein by reference as Addendum CC on the WNCY website.

ADDENDUM B - METHOD OF SELECTION OF WINNER

Weekday mornings (except holidays and assorted undetermined days) at approx. 7:30 AM a random contestant will be selected from all eligible entries and contacted by Shotgun & Charli to play the One Second Song contest.

A one second "snippet" of a song will be played. The contestant will be given one try to identify the correct title and artist of the song. If the title and artist is correctly identified the contestant will be awarded \$1,000.00

Please note that the first guess is the final guess.

If the registered contestant called does not answer the call, that call is void and another registered contestant may be called. Please note that registered caller is the only person who can play the contest. If someone other than the registered contestant would answer to play that call is void.

Please note that if the caller is driving a vehicle it must be pulled over and in a safe area.

NOTE: Additional plays may be held on-air or on-site at WNCY events throughout the year.

Contestants that don't answer give correct answer may still win a "participation prize" from WNCY and/or a WNCY sponsor/advertiser - however a "participation prize" is not guaranteed.

WNCY is not responsible for any technical errors that may happen during the contest, including (but not limited to): lost cell-phone coverage or disconnection of call by any means.

Due to the nature of our programs that are heard on-line over the Internet, contests heard on the radio station's Internet audio stream are slightly delayed from the time the contests heard on the broadcast station, and will be running behind the broadcast signal. Thus, all contests heard are delayed. This delay can last for 30 seconds up to several minutes. This means that listeners to the on-line audio stream may be at a disadvantage in participating over those listeners who hear the contest on a conventional FM radio.
