District Summer Food Program Offers Free Nutritious Meals throughout Summer Break

GREEN BAY, WI – June 1, 2016 – Stressing the importance of offering nutritious meals to children during the summer months, the Green Bay Area Public School District announces the sponsorship of the Summer Food Service Program.

The Summer Food Service Program (SFSP), which is funded by the U.S. Department of Agriculture (USDA) and is administered by the Wisconsin Department of Public Instruction, provides nutritious meals to children during the summer, when free and reduced-price school meals are typically unavailable.

Free meals will be made available to children 18 years of age and under. Persons over 18 years of age who are determined by a state or local public educational agency to be mentally or physically disabled and who also participate in a public or private non-profit school program during the regular school year may receive free meals as well.

The following locations will be serving free meals this summer (refer to site list for locations and times below). Meals are provided to eligible children regardless of race, color, national origin, age, gender or disability and there will be no discrimination in the course of meal service.

“This program fills a void created when school lunches are not available,” said Amy Zellner, RD, CD, Quality Assurance Specialist. “Helping parents meet the nutritional needs of their children is the strength of this program.”

The daily food service schedule for each park day beginning June 13- August 12 (no July 4th and July 26th meals), Monday through Friday, is as follows:
