

Healthcare Professionals

EMERGENCY MEDICAL TECHNICIAN

January 20 - May 19, 2022
Thurs 6:00pm-10:00pm

- The EMT-Basic certification is the first of three levels of certification and training available for emergency medical services personnel. It often is a prerequisite for earning EMT-Intermediate and Paramedic certifications.
- Fee of \$750 is due at the time of registration.

PHLEBOTOMY TECHNIQUES

January 18 - April 14, 2022
Tues & Thurs 3:00pm-5:00pm

- This course is a non-Nursing course aimed at the technical skills and knowledge required for blood collection. Students will develop skills in performing phlebotomy procedures in various health care settings.
- Fee of \$450 is due at the time of registration.

EMERGENCY MEDICAL RESPONDER

February 28 - April 28, 2022
Mon & Thurs 1:00pm-5:00pm

- Emergency Medical Responders provide immediate lifesaving care to critical patients who access the emergency medical services system. EMRs have the knowledge and skills necessary to provide immediate lifesaving interventions while awaiting additional EMS resources to arrive
- Fee of \$300 is due at the time of registration.

PHARMACY TECHNICIAN

January 20 - April 21, 2022
Thurs 4:00pm-6:30pm

- Pharmacy Technicians must have a broad knowledge of pharmacy practice, and be skilled in the techniques required to order, stock, package, and prepare medications.
- Fee of \$375 is due at the time of registration.
