Cromwell Media presents Cromwell Cares

Owensboro – Cromwell Media will be awarding 12 Marketing Grants to local nonprofits in our community starting January 1, 2022. We will award 6 grants to non-profits whose annual budget is \$100,000.00 or less and 6 grants to non-profits whose annual budget is \$100,001.00 or more.

Each month we will feature a different non-profit in our community with a full-blown 30-day marketing campaign. This is over a \$7,500.00 value of marketing tools per month; These nonprofits will have the opportunity to use them all at ZERO cost to them! Non-Profit organizations in our community, we invite to apply on our website: www.owensbororadio.com/cromwellcares

Please also join our group page where we will be posting announcements:

www.facebook.com/groups/cromwellcares

We will give over \$90,000.00 through this program plus much more in other programs of support to non-profits through this grant program. This is how WE are making a difference, right where we are!

If you have questions or want to be involve, please reach out to us!
