UNITE's Arrive Alive Tour has partnered with the Kentucky Office of Highway Safety to bring this life changing event to Heritage Park High School. The mission is to educate teens about these dangerous driving behaviors and save lives. This event is sponsored by the Kentucky Office of Highway Safety.

UNITE's Arrive Alive Tour® is the nation's number-one ranked drunk and distracted driving awareness event, as well as the first-and-only marijuana driving simulator in the country. The Arrive Alive Tour uses a high-tech, state-of-the-art simulator that allows participants to drive while distracted, drunk, or drugged in a fully functioning vehicle without moving or being intoxicated. The simulator allows participants to experience the real-life dangers without the real life consequences.
