

Fort St John 2020 BC Winter Games

Legacy Fund

The Fort St. John 2020 BC Winter Games have come and gone. Fort St. John has proven once again that we are capable of putting on a great show and we'd like to thank everyone who helped out. The Games were a huge success!

Part of the BC Games focus is to leave a legacy in the Community. At this time the Organizing Committee would like to invite any society, club, association or community member to submit your applications for legacy funding.

The Committee will accept applications from any sport or art association, community member or group, which can use funds to better our community. Focus will be on Sports and Arts, however other applications will be considered. The funds will be in the form of a one-time grant that can be used for equipment, training or special projects. After applications are received, the Committee will decide which applications will receive funding and how much the funding will be. All applications will not necessarily receive funding and funded applications will not necessarily be fully funded.

Application deadline is June 30, 2020, and is attached to this letter. All applications must be completed on the attached forms and cannot be longer than 5 pages when completed. All applications must be emailed to redinsholdings@gmail.com prior to June 30, 2020 at 11:59 pm. Late applications are not guaranteed to be reviewed.

We look forward to working with our many community members to leave a great legacy in Fort St. John.

Sincerely,

A handwritten signature in black ink, appearing to be "DS" or similar initials, written in a cursive style.
