

Elect

Gale Fullerton *for* Mayor

RESPONSIVE LEADERSHIP –

As Mayor, I am committed to working with Council to improve transparency and openness of governance in Lunenburg. The citizens of our town have asked for and deserve a voice in all important decisions. We will follow through on this item, every step of the way.

FISCAL RESPONSIBILITY –

As Mayor, I will work with Council and Staff to present an accurate snapshot of our current financial position, as well as projections for future commitments and options. This is a fundamental piece for us moving forward in our Town.

INFRASTRUCTURE –

The future of our Town is dependent on young families living and working here, their children attending school, participating in sports and social activities in our community. A higher level of service is needed, involving significant projects and investments by the Town as well as external stakeholders. As Mayor, I intend to work with Council and Staff on this as a critical item in the measured and sustainable growth of our community.

LAND USE and HOUSING –

While housing is not a direct mandate for the Town under the Municipal Government Act, it is a crisis in many communities, including ours. As Mayor of Lunenburg, I want to see our Town lead with a view to planning and development, explore new ideas for housing solutions, and use our land use by-laws and policies to communicate that we welcome new residents and business owners.

Thank you for your time and your support.
