FUNDRAISING WITH THE TINCAPS

Fundraising with the TinCaps is simple, effective and has no upfront costs. Simply reserve the number of tickets you anticipate selling but only pay for the tickets you actually sell. Select a coordinator that will stay on top of the fundraising efforts. Then, choose a game date that is at least 60 days away to give yourself time to promote and deliver tickets.

NO RISK INVOLVED

Organizations are not responsible for payment until the ticket order is placed so there are no up-front costs.

GAMEDAY FESTIVITIES

Your group will be recognized with a public address announcement and your group's name will appear on the videoboard during the game.

EASY TO ORGANIZE

Ticket order forms and posters are supplied by the TinCaps. We also process the orders, mail the tickets and help with anything else that you need!

ONLINE GROUP TICKETS

An Online Group Ticket Portal is a private, group-specific link to purchase tickets directly within your group. A Ticket Portal can be supplied by the TinCaps to sell and distribute tickets.
