

106.7 The Mountain plays the Greatest Music of all Time. It can take you back in time while at the same time keeping you in touch with what's happening now. Playing Classic Hits from the 70's, 80's, and 90's. Not every radio station can say that. Put The Mountain to the test. It may turn out to be the station you like the best! It's music for everyone! There is always a reason to listen. For those who love the hits and the memories of the past, we have the top hits of the last several decades to stir those memories of your life.

John Koehler is the voice of Iron Mountain and has been waking up our area for four decades! He gets the ball rolling weekday mornings. But music is just a part of what we do. Yes, we do live in the past through our music, but we are on top of what's happening NOW. Local news and sports throughout the day, where the best buys are, and accurate weather information twice per hour so you don't have to wait long to hear the weather... we have you covered. Plus, we always throw in some laughter and fun promotions to keep things moving! John is on the air 5-9AM Monday-Friday.

If you don't have a radio at home, you can still listen with Alexa, ask her to play WHTO Radio 106.7 The Mountain. We stream all the time now at WHTORadio.com You can follow the Norway Knights all season long on 106.7 The Mountain. Kuba Bal and friends have every Norway Knight Football and Basketball game for girls and boys. When there are two games the same night, The Mountain always airs the away game since more people can make the local game.

You always know what's going on in the area when you listen to our stations. Between Looking Up and our Community Calendar, we let you know what events are happening in our community. We are a Results Broadcasting station. Our two sister stations in Iron Mountain are 100.7 Radio Now and Frog Country 101.5FM. You will hear similar programming on our stations in Shawano/Clintonville, WI and Antigo, WI.
