

101.5 Frog Country WJNR plays today's 'New Hit Country' with a mix of older country tossed in. Some of those features include "Mike's Vintage Vinyl" in the mornings, along with the "Classic Country Cut" at 5:30PM and the "C&R 6 Pack at 6", where we countdown the top 6 country songs from a particular date in history as determined by the original Billboard Music Charts. You will hear Frog Country in a 70-100 mile radius of Iron Mountain. Ask Alexa to play WJNR 101.5FM. Streamed all the time at WJNRRadio.com.
