DAY 2: OCTOBER 6th

Cabot Trail

The Cabot Trail Discovery Tour explores Nova Scotia's most iconic road trip. From the rugged coastlines and majestic mountains to the charming small fishing villages, this tour provides breathtaking viewpoints, endless photo opportunities, and local culinary experiences.

We follow the coastline as we climb and descend mountains and traverse the Cape Breton Highlands National Park. Picturesque examples of typical Nova Scotian fishing villages dot the Cabot Trail's winding roads. Hear the crash of the ocean against the craggy stone shorelines, feel the sand between your toes, and smell the salt air at the many coastal stops along the 300-kilometre journey. (B) (D)

DAY 3: OCTOBER 7th

Fortress of Louisbourg

The Fortress of Louisbourg brings you back into one of North America's busiest 18th-century seaports. Founded by the French in 1713, this one-quarter reconstruction of the original French town and fortifications is the largest – and best – of its kind in North America, offering a wealth of experiences for visitors to enjoy.

The Fortress of Louisbourg National Historic Site recreates life in the 18th Century during the ongoing battle for control of Nova Scotia between the French and English. Experience life in 1744 during Louisbourg's heyday; view daily demonstrations of music, dancing, cooking, and military drills. Maybe even fire a musket, taste the rum stored in barrels behind the fortress walls, or dine with the peasants.

Tonight, experience the Celtic Colours Festival! Since its introduction in 1997, Celtic Colours has grown to become one of Canada's premiere musical events, and a cultural highlight in Nova Scotia.

The Celtic culture of music, dance and story-telling lives on in these communities and provides foundation for the celebration of living culture that is the Celtic Colours International Festival. (B)
